

Dear Parents and Students,

The table below outlines the amount of work completed in each subject during the course of this academic year (2012/2013) which has a direct impact on your son's GCSE grade. This takes the form of Controlled Assessment, coursework or end of year modules. You will see clearly the percentage weighting for each of these.

Reminder:

Data Tracking: Internal Abbey monitoring process

Controlled Assessment: Set by Examination Boards and cannot be repeated (actual percentage goes directly towards GCSE)

Module: Successful grade essential due to high percentage weighting

Subject	% 4 th yr (Controlled Assessment or Coursework) Already Completed	% 4 th yr (Controlled Assessment or Coursework) To be completed by June	% Module 4 th yr May / June
French		15%	
Spanish		15%
